

CHIPBOARD SCREWS
for professional woodwork

WKRETY DO DREWNA
do profesjonalnych robót stolarskich

Woodpīcker™

Common chipboard screw
Zwykły wkret do drewna

Woodpīcker™

- **Special sharp point on thread prevents material splitting**
Specjalne nacięcie na gwincie zapobiega rozszczepianiu się drewna
- **Facilitates screwing into hard wood or wood-based materials**
Ułatwia wkręcanie w twarde gatunki drewna lub materiały drewnopochodne np. MDF
- **Requires no pre-drilling**
Nie wymaga wcześniejszego nawiercania
- **Installs faster**
Skraca czas montażu

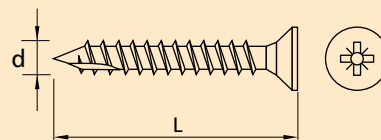

CHIPBOARD SCREWS

flat countersunk head, sharp cut on thread, hardened
white or yellow zinc plated, waxed

Woodpřicker™

WKRETY DO DREWNA

łeb stożkowy płaski, gwint z ostrym nacięciem, hartowane
ocynkowane na biało lub żółto, woskowane

TYPE: WDSWPZ

To order white zinc plated screws please
add -CE to index, e.g. 1345030-CE.

Zamawiając wkręty ocynkowane na biało
dodaj -CE do numeru indeksu, np. 1345030-CE.
